Vital information:

Eat a good breakfast! You will need energy to complete this parade. Also drink a lot of water prior to the parade, this will help your body maintain focus and a quality sound.

Please wear your band polo and black pants. Please, no black jeans, if they must be jeans please make sure they fit well and are not faded. Wear marching shoes (if you have them) or wear black shoes. If you do not have black shoes please wear something close or white. I am looking for shoes that are not blue, purple, brown, orange etc. We need to look as uniform as possible. If you are new and do not have a band polo one will be provided for you. You may wear sunglasses but do not wear a hat.
